Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space.

Interior design - Wikipedia

Department of Computer Science Home Page ... A maximum of four 500-level courses can be applied to the program. At least three credits counted toward the computer science degree must be taken at the 700-level from courses other than CS 791 and CS 796.

Department of Computer Science < Old Dominion University

One of the hardest concepts to explain when introducing new folks to Business Objects is context. I now imagine blog readers who have been working with the tools for a while have started nodding their heads in agreement, only to stop and say, "Hey, wait a second, is Dave talking about universe contexts or report calculation contexts?"
