Work Jobs for Special Education Life Skills Classrooms

Jose and I had to take the vitamins wed brought to the Ministry of Health so they could see that the bottles were still sealed. We drove all the way across town to get there only to find the office closed.

Health Talents International, Inc.

Space Information Space is big, dark and cold. There is no air or water in space. Astronauts explore space in specially designed spacecraft called spaceships. Robots are also used to explore space. The only place in space that people have been to is the moon. Some people think that there may be life on other planets. Planets are in outer space.
