Yesterday I asked "when is the best time to buy a digital camera?" Today I want to turn our attention to how to buy a digital camera. I'm not going to talk you through all the different features on a digital camera or tell you which models are best (something that is really quite individual and which changes regularly over time) however ...

Are Megapixels Everything? Before I get into the Pros and Cons of DSLRs vs Point and Shoot digital cameras I want to address a common misconception that I regularly hear among digital camera owners â€“ that a camera's megapixel rating is the main thing to consider when determining a camera's quality.
