CHAPTER I THE POISONED NEEDLE "Truth wears no mask, seeks neither place nor applause, bows to no human shrine; she only asks a hearing." The increasing flood of evidence against vaccination and the growing for the un-suppressed facts about this "touchy" subject have literally forced this book into being.

Rape is defined in most jurisdictions as sexual intercourse, or other forms of sexual penetration, committed by a perpetrator against a victim without their consent. The definition of rape is inconsistent between governmental health organizations, law enforcement, health providers, and legal professions. It has varied historically and culturally.
