APA style calls for a list of references instead of a bibliography or works cited page. The requirements for a reference list is that all references cited in the text of a paper must be listed alphabetically by the first author's last name.

APA Style Reference | Bellevue University

Wouldnt be hard for any new box to be better than the IQ3. IQ3 has major issues with its unreliable blue tooth remote and random reboots. Not to mention it is missing key functionality that Tivo had 10 years earlier like being able to toggle between the tuners and rewind even if you werent recording on the other tuners, ability to hide channels ...
