Welcome To Civil Engineering Forum. Welcome to the biggest Civil Engineering Portal website. This is a place where we can discuss anything related to civil engineering.

Civil Engineering Forum

Computer use is an integral part of the Civil Engineering curriculum. From required courses in computer programming and numerical analysis to subsequent use and development of Civil Engineering programs, students experience the use of computers as a planning, analysis, design, and managerial tools.

Department of Civil Engineering < Case Western Reserve

1. Introduction. Ground or rock anchors (sometimes referred to as anchorages) of a number of types have long been used for a range of purposes in rock engineering and in geotechnical engineering more generally (Hobst and ZajÃ¡c, 1977, Hanna, 1982, Habib, 1989, Xanthakos, 1991, Littlejohn, 1993, Littlejohn, 1997).

Rock engineering design of post-tensioned anchors for dams

1 Enhancing Engineering Higher Education The National HE STEM Programme (2009â€“2012) took place against a backdrop of significant change in the higher education systems in England and Wales.

Enhancing Engineering Higher Education

College of Engineering and Computer Science. Program Description. Civil Engineering involves the

application of scientific principles and knowledge of mathematics and computers to the planning, analysis, design, and construction of all types of private and public works.

Civil Engineering < Sacramento State

Software engineering is the application of engineering to the development of software in a systematic method. Notable definitions of software engineering include:
