Business Ethics - International Journal of Scientific and

Journal of Public Administration, Finance and Law Issue 6/2014 140 2. BUSINESS ETHICS. MORAL STANDARDS On the other hand, ethics is the subject that examines the personal moral standards of the society (Velasquez, 2006). It answers the question on how these standards can be applied in life (Cheney, 2010). But what are these moral standards? According to Manuel G. Velasquez, moral standards are ...

BUSINESS ETHICS - Journal of Public Administration

Business ethics is a form of applied ethics that examines ethical principles and moral or ethical problems that arise in the business environment (Warren, 2011). It applies to all aspects

Journal of Business Ethics on JSTOR

The Journal of Business Ethics publishes only original articles from a wide variety of methodological and disciplinary perspectives concerning ethical issues related to business that bring something new or unique to the discourse in their field. Contributors examine moral aspects of systems of production, consumption, marketing, advertising, social and economic accounting, labor relations, public relations and organizational behavior. In order to promote a dialogue between the various ...

Journal of Business Ethics - springer.com

The Journal of Business Ethics began in 1982 publishing semi-annual issues. In 2010 it published seven volumes (volumes 91 to 97) and 39 separate issues, each containing several articles. Other leading journals also date from this period, with Business Ethics Quarterly appearing in 1991, and Business Ethics: A European Review in 1992. Reflecting on the contingent institutional history of ...
