"Invitation for Innovative Reviews, Research Papers and Short Communication" • International Journal of Advanced Life Sciences • is an online peer-reviewed journal which caters the needs in the areas of Basic and Applied Research in Life Sciences.

### **International Journal of Advanced Life Sciences - Welcome**

The School of Social Sciences is an internationally recognised centre of high quality teaching and research.

### **School of Social Sciences - Cardiff University**

Here we propose two components for incorporation into an advanced life support system coupling anaerobic waste treatment to food production . The first compartment consists of a fixed-film, flow-through anaerobic digester treating liquid and solid human waste to produce CO<sub>2</sub> and methane, as well as ammonium from

urea and protein degradation.

### **paper published in November 2017 in Life Sciences in Space**

Biology is the natural science that studies life and living organisms, including their physical structure, chemical processes, molecular interactions, physiological mechanisms, development and evolution. Despite the complexity of the science, there are certain unifying concepts that consolidate it into a single, coherent field.

### **Biology - Wikipedia**

Life Sciences Switzerland is the society that supports researchers by organising events and workshops, distributes young investigator travel grants, reaches out to the public and its partner societies, and provides a network to foster scientific exchange.
