The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or "soft" skills — qualities like perseverance, conscientiousness, self-control, and

optimism â€" play in the challenges poor children face and the strategies that might help them succeed.

Helping Children Succeed â€" What Works and Why
Just a quick note to say thank you for a wonderful and informative site, which I found yesterday. I am busy preparing for the Patent Bar at this moment and the info on your site is very helpful with the study â€" goodness knows that this stuff is tedious to say the least.
