

### milliman chronic care guidelines pdf

Innovative new drugs have improved outcomes for many cancer patients. But spending on cancer drugs has increased dramatically in recent years, placing a burden on cancer patients and a strain on health system and societal resources.

### Promoting Value, Affordability, and Innovation in Cancer

Health care in the United States is provided by many distinct organizations. Health care facilities are largely owned and operated by private sector businesses. 58% of US community hospitals are non-profit, 21% are government owned, and 21% are for-profit. According to the World Health Organization (WHO), the United States spent \$9,403 on ...
