Marketing Principles and Process - Jones & Bartlett Learning

This article describes the Five Product Levels of Philip Kotler, including examples and a template. After reading you will understand the basics of this powerful product marketing tool.

Five Product Levels by Philip Kotler including examples

The marketing research process is a six-step process involving the definition of the problem being studied upon, determining what approach to take, formulation of research design, field work entailed, data preparation and analysis, and the generation of reports, how to present these reports, and overall, how the task can be accomplished.
