Overweight and Obesity in Children: A Review of the Literature 5 Executive Summary Childhood overweight and obesity are increasingly significant problems,

Overweight and Obesity in Children: A Review of the Literature

Research into early marriage has tended to concentrate only on specific aspects of its impact such as the effects on reproductive health and school drop-out. There has been little examination of the practice as a child rights violation in itself. The Digest examines the extent of early marriage, its context, causes and its impact on every aspect of the lives of those affected
