### **What is Reflective Practice? - Itslife**

Reflective practice is the ability to reflect on one's actions so as to engage in a process of continuous learning. According to one definition it involves "paying critical attention to the practical values and theories which inform everyday actions, by examining practice reflectively and reflexively.

### **Reflective practice - Wikipedia**

An increasing number of courses require students to write reflectively. Reflective writing may be an occasional requirement or it may be a core feature of most or all assignments.
